WHO IS REQUIRED TO PREQUALIFY FOR THIS PROJECT?

The following are required to prequalify prior to submitting bids or working on this project. The Project Manager shall advise the Contractor in writing **within two business days** from the receipt of the request as to whether the waiver shall be granted. The Awarding Authority reserves the right to request additional relevant project specific information and relevant experience information to determine whether to grant the waiver or to request the Contractor to submit a full prequalification packet. **Contractors are advised to request waivers as soon as possible.
