TUSCALOOSA COUNTY

DATE: Thursday, March 3rd, 2022
TIME: 5:00 p.m. to 7:00 p.m.
PLACE: UA Cyber Hall Room 1036
248 Kirkbride Lane
Tuscaloosa, Alabama 35401

PROPOSED LOTS ALONG PETER BRYCE BOULEVARD AND NORTH CAMPUS WAY

An open house meeting will be held from 5:00 p.m. to 7:00 p.m. on March 3rd, 2022 at UA Cyber Hall Room 1036, regarding the proposed project for an addition and renovation to Searcy Hall, as well as a new building at the intersection of Peter Bryce Blvd and Randall Way. This project will create the Mobility & Power Campus, which will house the Alabama Mobility and Power (AMP) Center and its related National Training Center for Electrical Vehicle Infrastructure and Technology (NTC), the Alabama Learning and Work Research Institute

(ALWRI), and the Tuscaloosa County Economic Development Authority (TCEDA). In addition, the campus will contain ready-made space for the recruitment of e-mobility companies. The Mobility & Power campus and its components will help amplify industry and state effort to establish an electric vehicle economy in the region.

Participants may come at any time between the hours shown to review project information and maps, ask questions, and discuss the project with UA staff and representatives from PELA GeoEnvironmental, Inc.

Written comments, which will become part of the public record, may be submitted by completing the comment sheet during the meeting. Written comments after the meeting may be submitted by mail, email, or in person to the University of Alabama Construction Administration office. All comments must be received by 5:00 p.m., Thursday, March 10th, 2022.

The meeting is being held in a handicap-accessible facility. Anyone requiring special assistance may contact Cassidy Largin at (205) 348-8687 prior to the meeting. Requests for special assistance should be received at least five (5) business days prior to the meeting. Anyone needing further information before, or after, the meeting may contact:
