For

## **Athletics Competition Arena** UA Project No. 404-22-2866

The University of Alabama (UA) is soliciting proposals for qualifications for Commissioning services for the new construction of an Athletics Competition Arena project located on campus. The Commissioning Firm needs to have commissioning expertise in large athletics venue spaces. The Commissioning Firm will be responsible for providing Commissioning Services for this new facility during the Design, Construction, Acceptance and Post Acceptance Phases of the project. All interested firms should contact Mr. Dwight Stewart, Mechanical Engineer, The University of Alabama, Voice 205-348-1910, Email: [dfstewart@ua.edu](mailto:dfstewart@ua.edu) for additional information and response requirements. All proposal responses are due at the UA Construction Management and Design Building (413 Cahaba Circle, Tuscaloosa, AL 35404) by **5:00 pm local time on Monday, April 4, 2022.**
